

Working with Two-Spirit and Native LGBTQ Youth

Targeted Resources for Tribal Child Welfare, March 2018

"Two-Spirit" or "Two-Spirited" is a Native American concept that usually indicates that an individual houses both a masculine and a feminine spirit. The Two-Spirit identity should only be used by a person who identifies as Native American. Most Indigenous communities have specific terms in their own languages for the gender-variant members of their communities and the social and spiritual roles these individuals fulfill — including Lakota: *wínkte*, Navajo: *nádleehé*, Mohave: *hwame*."
